

SIDEE WA WAAYAHA SHARCIYADA

Ogeysiisada Wax-soo-saarka Washington (WA Ogeysiinta) waa aalad cusub oo muhiim ah si looga caawiyo joojinta faafitaanka COVID-19. Sida xirashada maaskaro, fogeynta iyo yareynta kulamada, WA Ogeysiinta waa aalad fudud oo lagu ilaaliyo bulshadeena.

WA Ogeysiinta waxay ku shaqeysaa taleefannada casriga ah, iyada oo aan lala wadaagin wax macluumaad shakhsii ah, si loogu digo dadka isticmaala haddii laga yaabo inay ku dhaceen COVID-19. **Gabi ahaanba waa wax gaar ah, mana garanayo ama lama socdo cidda aad tahay ama meesha aad aadeysyo.**

Daraasaduhu waxay ogaadeen in inta badan dadka isticmaala ogaysiisada soo-gaadhista, ay sii kordhayaan faa'iidadu. Moodooyinka xogta ee gobolka Washington waxay muujinayaan in xitaa tiro yar oo dad ah oo adeegsanaya WA Notify ay yareyneysa caabuqyada iyo dhimashada.

KU DAR TELEFOONKAAGA

Taleefankaaga iPhone:

1. Tag setinka
2. Hoos kadhageyso ogeysiisada soo-gaadhista
3. Guji "Daar Ogaysiisada Soo-gaadhista"
4. Xullo Mareykanka
5. Xullo Washington

Taleefanka Android:

1. Taleefanka Android, u tag [Google Play Store](#)
2. Raadi ogeysiisada WA-gaadhista WA si aad si fudud ugu hesho barnaamijka
3. Soo dejiso barnaamijka Ogeysiiska Wax-soo-saarka Washington

MARKII AAD KU DARSATAY WA OGAYSIIS IN AAD TELEEFONKAAGA TAHAY

Waa tan sida ay u shaqeysa si looga hortago faafitaanka COVID-19.

The infographic consists of five numbered panels (1-5) illustrating the COVID-19 tracing process on a smartphone:

- Panel 1:** Shows two phones connected by a red spring-like cable. The screen of the left phone displays binary code (0101 0100 0101 0100). An arrow points from the right phone's screen to the left phone's screen, indicating data transmission.
- Panel 2:** Shows a single phone connected to a coiled red cable. The screen displays "Caafimaadka Bulshada" (Contact Tracing) with a call icon.
- Panel 3:** Shows a single phone connected to a coiled red cable. The screen displays a user profile icon, four dots, and a lock icon, indicating a secure connection.
- Panel 4:** Shows a single phone connected to a coiled red cable. The screen displays a white COVID-19 virus icon with an exclamation mark, indicating a positive test result.
- Panel 5:** Shows a single phone connected to a coiled red cable. The screen displays "Wax dheree ah baro" (You have been traced) with a link icon.

Below each panel is a descriptive text explaining the step:

- Panel 1:** Marka laba qof oo isticmaalaya WA Notify taleefannadooda casriga ay is ag dhowaadaan, taleefannadooda waxay isweydaarsadaan nambarro aan kala sooc lahayn iyagoo isticmaalaya Bluetooth. Koodhku waa mid gebi ahaanba qarsoodi ah, oo aan lahayn meel lagu raadsado ama lagu beddelo macluumaadka shakhsiyeed.
- Panel 2:** Marka qof jooga Washington uu tijaabiyoo wanaaggaa iyo caafimaadka guud ee ay la xiriiraan iyaga, waxaa la weydiin doonaa inay hayaan WA Ogeysiinta oo la siyo lambar xaqiijin ah.
- Panel 3:** Qofka tijaabada saxda ah markaa wuxuu galiyaa lambarka xaqiijinta WA Ogeysiis. Tani waa ikhiyaari.
- Panel 4:** Qof kasta oo sidoo kale leh WA Ogeysiin oo u dhawaa isticmaala tijaabiyay wax qabad waqtii dheer oo muhiim ah 14-kii maalmood ee la soo dhaafay wuxuu heli doonaa digniin aan la garanayn oo laga yaabo inay u soo gaareen COVID-19.
- Panel 5:** Ogaysiisaydu waxay leeyihiin xiriir ay la leeyihiin madluumaadka ku saabsan waxa xiga ee la sameeyo si loo ilaaliyo naftaadaa iyo dadka kaleba. Iyagu kuma jiraan macluumaad ku saabsan cidda laga helay cudurka iyo meesha uu ku dhacay.
